General Price List

These prices are effective as of 06/20/2017, but are subject to change without notice.

Prior to drafting any contract for goods and services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

The goods and services presented here are those we can provide to our clients. You may choose only those items you desire. However, any funeral arrangements you select will automatically include our Basic Service Fee. If Legal or other requirements mean you must buy any items you did not specifically ask for, we will explain in writing, on the statement we provide, describing the cremation/burial goods and services you have selected at the time of your need.

If you arrange a Direct Cremation, you can use an Alternative Container. Alternative Containers encase the body and can be made of materials like fiberboard or composition materials with or without an outside covering (the container we provide is a fiberboard container).

PAYMENT POLICY

Argos Funeral Services has established a uniform payment policy to serve all families fairly. This payment policy enables us to contain our costs and requires that all financial arrangements be completed one full day before the service time or the use of our merchandise or property. We accept cash, personal checks, cashier checks, and all the major credit cards.

'Payment is required 24 hours prior to Services Rendered'

Outer Space & Lunar Burial

A Service of this type involves leaving Earth through the Cosmos is an experience few have ever known, but may have often dreamed of. Argos together with Celestis, makes it possible to honor the dream and memory of your departed loved one by launching a symbolic portion of cremated remains into Earth's Orbit, onto the lunar surface or into deep space. Mission into space that return the cremated remains to Earth are also available.

Earth Rise Service

Spaceflight with return to Earth \$1,885*

Our Earth Rise Service affordably launches a symbolic portion of cremated remains to space, and after experiencing the zero-gravity environment, returns the individual flight capsules and modules back to Earth. After a successful flight, the Earth Rise payload, including flown flight capsules and modules, is recovered, validated at having reached space, and the capsule or module is returned to the family or loved one as a keepsake.

Earth Orbit Service

Launch into Earth Orbit \$4,995*

Our Earth Orbit Service affordably launches a symbolic portion of cremated remains into space aboard a Celestis Spacecraft. Your loved one will venture into the final frontier as part of areal space mission, riding alongside a commercial or scientific satellite. The Celestis Spacecraft is placed in Earth's Orbit where it remains until it reenters the atmosphere, harmlessly vaporizing like a shooting star in the final tribute.

Launch to Lunar Orbit or Surface

Lunar Service \$12,500*

The Lunar Space reaches out to Earth's nearest neighbor for a uniquely compelling location to remember a special life. Celestis has an agreement with Moon Express and Astrobotic Technology, Inc. to launch payloads containing Human Cremated Remains to the surface of the moon.

Voyager Service

Launch in Deep Space \$12,500*

The Voyager Service launches your loved one on a voyage through deepest space, leaving the Earth-Moon system on a permanent celestial journey. Voyager missions truly offer an opportunity to be at one with the cosmos, on a mission of exploration and discovery.
