## GENERAL PRICE LIST

These prices are effective July 8, 2020 and are subject to change without notice.

*The Federal Trade Commission (FTC) and the New York State Department of Health both require certain disclosures to be made by funeral providers on the General Price List. Although these disclosures are similar, they are not exactly the same. This General Price List contains both sets of required disclosures. The disclosures required by the FTC, when different from those required by the Department of Health, are preceded by the letters 'FTC'.*

(FTC) The goods and services shown below are those we can provide our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list may not include prices for certain items that you select, such as cemetery charges, flowers and newspaper notices. The estimated or final prices for those items will be shown the itemized statement describing funeral services and merchandise you selected. We charge you for our services in buying certain items.

The provider of funeral services is required to give price information in person or over the telephone. Your authorization is required for a funeral home to obtain custody of the body and a body must be released promptly upon your request.
